ELIS SEIS - Public Mtg 5 - TRANSCRIPT (Draft1) (13Jan15 EPA R1 comments).docx
ELIS SEIS - Public Mtg 5 - TRANSCRIPT-Condensed (Final) (08Jan15).pdf

Hi Jeannie, ...regarding the transcripts:

1. The transcript sent to you on Wednesday (for review) is from the New London mtg.
2. The version that you commented on a week or so ago was from the Riverhead mtg. I confirmed the spoken text by listening again to the original voice recording and included most of your edits. Some of the edits were more than corrections and differ from the spoken text; I flagged those in turquoise FYI, and I did not include those **Ex. 5 - Deliberative Process**. I also attach the final version of the transcript to be included in the Public Meeting Report 3, FYI. Please let me know if you want to discuss this.

Thanks,

Bernward.

Thanks Bernward, does this version include the comments that I had sent to you in December?

Will review on Monday.

Sending information on sampling to you in a moment

Hi Jeannie,

Attached is the second draft of the transcript from New London meeting. It has been reviewed by Frank, Grant and me, confirming with the audio recording. Please advise if you have any additional comments; if so please use track changes. If you are all set, I will have the stenographer provide me with the final signed transcript copy. You can have the Public Meeting report two days thereafter.

Thanks,

Bernard

Hi, (John Brandon, Jeff Sanders <jeffsanders@huseby.com>

Thank you for the revised transcripts. Unfortunately, there were several identified edits which did not get transferred into the revised draft. I identified them again in track-changes and also flagged them. Please revise the second draft accordingly and return it to me. I hope this can be done in one or two days, as this document needs to go to the Client; please confirm.

Thanks,

Bernward.
